August- HDR
September- Motion
October- Photo Contest
November- Shadows

Sonora Photo Club Minutes March 19, 2017

Other ideas to consider in the future:

- Composites
- Leading Lines
- Light Painting
- Abstract

Club Website

When sending your photos to Connie/Bill for posting to our website please put the correct labeling on your images. If you have any questions about this see the instructions on the website.

Connie has handed over the responsibility of our website to Bill Heiser and Joel Silverman and Laurie Lehman who will work together as a committee. At our May meeting they will present to us what they have put together and how it might work.

A tentative transfer date from Connie to Bill will be July.

A questionnaire will be sent to us asking what parts of the website we use the most and the least.

We will continue to use Flickr for our Photo Display.

In Focus

The In Focus committee is accepting new members if you are interested in joining.

PRESENTATION:

Our presentation was of the In Focus Winners. Congratulations to those who won a ribbon in the show. Well done!

HINTS AND TIPS:

If anyone finds an article that is of interest to the group regarding our next Photo Theme--Macro, please send it out via sonoraphotoclub@emaildodo.com .

MEMBER INPUT

Sonora Photo Club Minutes March 19, 2017

Railtown In View

Kathy will do a matting and framing demo for those that would like to learn how to do these things for Railtown In View Exhibit or a show sometime.
